Title: Need to review the proposed hike in fare of Ghatkopar-Mumbai Metro service.

DR. KIRIT SOMAIYA (MUMBAI NORTH EAST) : Ghatkopar-Mumbai Metro fare hike proposed Rs.10/- to Rs.110/- by the operator, has been strongly objected by Government of Maharashtra as well as Members of Parliament. It is understood that Government of Maharashtra has asked for special CAG Audit of Mumbai Metro and also asked for a Fresh Fare Fixation Committee. People of Mumbai are worried about proposed steep fare hike. It is anticipated that the Urban Development Ministry should take stringent action against the private operator, appoint a fresh Fare Fixation Committee and order CAG Audit.
