Title:Need to develop Paradip Port region as a tourism destination in Jagatsinghpur Parliamentary Constituency.

DR. KULMANI SAMAL (JAGATSINGHPUR): Sir, I would thank you for the opportunity given to me to raise an important issue of my constituency.

Paradip Port region in Jagatsinghpur Parliamentary Constituency in Odisha attracts a number of tourists from all the corners of the country as well as from abroad. The scenic beauty of the place called Nehru Bangla along the confluence of river Mahanadi and Bay of Bengal, the cargo ship dock area inside the port, the fishing harbour and the sea beach stretched along the region has been a constant destination of tourists over a period of time. However, these sports are not being maintained in terms of tourism purpose.

So, I draw the attention of the Minister of Tourism to take necessary steps to develop Paradip Port Region as a tourism destination.
