Title: Need to construct a railway line from Jayanagar to Moipith via Jamtala.

SHRIMATI PRATIMA MONDAL (JAYANAGAR): Thank you hon. Deputy Speaker, Sir. I would like to express here that motorable road is the only transport facility in Kultali Block which comes under my parliamentary constituency, Jayanagar. There is no railway line even after 69 years of Independence. There is a long pending demand for a railway line from Jayanagar to Moipith via Jamtala. I would like to request to the hon. Minister, through you, Sir, to intervene into the matter and instruct his good office for construction of this railway line which will be a boon for millions of people of my constituency Jayanagar and Kultali Block.
