Title: Need to establish a world class design studio in Tiruppur.

SHRIMATI V. SATHYABAMA (TIRUPPUR): Mr. Deputy Speaker, Sir, Tiruppur being a fashion oriented industry centre, there is no establishment to create a new Design Studio because of lack of adequate infrastructure for the same. Establishment of a world class Design Studio will certainly generate the necessary momentum so that more and more foreign buyers would start sourcing from Tiruppur industry generating huge design opportunity.

HON. DEPUTY-SPEAKER:

Kuwar Pushpendra Singh Chandel is permitted to associate with the issue raised by Shrimati V. Sathyabama.
