Title: Need to set up a computerized Railway Reservation Centre and provide stoppages of Guruvayoor and Trichy Express trains at Madurantakam Town in Tamil Nadu.

SHRIMATI K. MARAGATHAM (KANCHEEPURAM): Madurantakam Town is the headquarters of Madurantakam Taluk in Kanchipuram district of Tamil Nadu. Well known for the 1300 years old Yeri Katha Ramar Temple and the Madurantakam Lake, the Vedanthangal Bird Sanctuary is situated just 12 Kms from Madurantakam.

People of Madurantakam requires a computerized Railway Reservation office at Madurantakam Railway Station Further, it is a long pending demand of people of Madurantakam to have stoppageg of two daily morning trains i.e. MS Guruvayur Express (Train No. 16127) and Trichy Express (Train No. 16853) at Madurantakam. This will facilitate large number of people to reach Tiruchirapalli and other towns south of Madurantakam for their daily business and official works.

I urge the Government to create a computerized Railway Reservation office and to provide stoppage for MS Guruvayur Express (Train No. 16127) and Trichy Express (Train No. 16853) at Madurantakam Railway Station.
