Title: Need to allow offline registration for entrance exam in Allahabad University.

SHRI JITENDRA CHAUDHURY (TRIPURA EAST): Chairman, Sir, I would like to mention here about a very unfortunate incident.

We all know that the Allahabad University is one of the Central Universities. In all the Universities, registration for entrance is allowed both online and offline, but in the Allahabad University the students are not allowed to register their entrance offline. There, the students were protesting against the decision of the University. On 2nd May, under the order of the Administration, brutal lathicharge has been organized upon the students. Further, the President of the Union, Ms. Richa Singh, was also injured. This way, the VC is not giving any audience to the elected Students Union there.

So, my categorical demand is that the students may be allowed offline registration for their entrance like in other Central Universities. Secondly, due cognizance should be given to the elected Students Union. Thirdly, an inquiry should be instituted against this incident. Thank you.

HON. CHAIRPERSON:

Shri Md. Badaruddoza Khan,

Shri Sankar Prasad Datta,

Shri Sharad Tripathi and

Shri Jagdambika Pal are permitted to associate with the issue raised by Shri Jitendra Chaudhury.
