Title: Need to establish a Jawahar Navodaya Vidyalaya or Kendriya Vidyalaya at any of the islands of Lakshadweep other than Kavaratti and Minicoy islands.

MOHAMMED FAIZAL (LAKSHADWEEP): There are a total of 10 inhabited Islands in Lakshadweep. As of now, we have only one Kendriya Vidyalaya at Kavaratti Island and one Jawahar Navodaya Vidyalaya at Minicoy Island.

Accessibility and accommodation facilities in these Islands are limited so that students from other Islands cannot avail the service of above schools. Therefore, it is requested to construct a Jawahar Navodaya Vidyalaya or Kendriya Vidyalaya at any of the Islands of Lakshadweep other than Kavaratti and Minicoy Islands. Availability of land is no issue for the construction of said school.
