Title: Need to establish Navodaya Vidyalayas and Kendriya Vidyalayas in Uncovered districts of Tripura State.

SHRI JITENDRA CHAUDHURY (TRIPURA EAST): Sir, I come from a very hilly terrain State. There are some institutions like the Kendriya Vidyalayas and the Navodaya Vidyalayas. They play a very pivotal role, not only for education but also to bring the national integration. Though Kendriya Vidyalayas and Navodaya Vidyalayas are supposed to be one in each district yet in my State there are no Kendriya Vidyalayas in the districts like South Tripura, Gomti, Khwai, Sepoyjala and North Tripura and there are no Navodaya Vidyalayas in the districts of South Tripura, Sepoyjala, West Tripura, Unakoti and North Tripura.

I would request the Government of India through you and especially the Ministry of Human Resource Development that Navodaya Vidyalayas and Kendriya Vidyalayas are established in these uncovered districts of the hilly State Tripura for the children of this State as also to bring national integration.
