Title: Need to allocate adequate funds for doubling railway line between Thanjavur and Mayiladuthurai section in Mayiladuthurai Parliamentary Constituency.

\*SHRI R. K. BHARATHI MOHAN (MAYILADUTHURAI): In my Mayiladuthurai parliamentary constituency, there is a urgent need for doubling of railway line between Thanjavur and Mayiladuthurai section. Thanjavur, Kumbakonam and Mayiladuthurai are the 'A' Category railway stations that fall in this route. Four Express trains, 2 Janshatabdi trains and 10 passenger trains run on daily basis in this rail route. Moreover, 6 weekly once Express trains, 4 fortnightly once trains and 2 tri-weekly once trains also pass through this route. This single line section witnesses 33 passenger train crossings on daily basis apart from goods trains which cause inordinate delay in travel time. I therefore urge the Hon. Minister for Railways to allocate adequate funds for doubling of this railway section between Thanjavur and Mayiladuthurai at the earliest. Thank you.
