Title: Need to provide a permanent B.S.F. Camp at Madhugari Mouza at Karimpur Block under Nadia District, West Bengal to save the Indian people and their properties.

SHRI MD. BADARUDDOZA KHAN (MURSHIDABAD): Hon. Chairman, Sir, I am a Member of Parliament from Murshidabad Parliamentary Constituency, which comprises 100 kilometres of Indo-Bangladesh border area. There are various types of problems in these border areas. The Madhugari Mouza at Karimpur Block under Nadia District, West Bengal, which is a border area is facing regular threat of Bangladeshi goons. They are cultivating crops in their own lands but could not harvest because Bangladeshi goons are looting their crops regularly as there is no permanent B.S.F. Camp. After 5 p.m., those areas are the free zone for the Bangladeshi anti-socials. No Indian can go there after evening. Sometimes, Bangladeshi armed robbers come to our border villages and loot the cattle and other valuable materials. In such a serious condition, I would request the Home Minister to provide a permanent B.S.F. Camp at Madhugari Mouza at Karimpur Block under Nadia District, West Bengal to save the Indian people and their properties.
