Title: Need to complete the construction of Railway overbridges at Belagavi and start the admission of students in newly built Kendriya Vidyalaya.

SHRI SURESH C. ANGADI (BELAGAVI): Thank you, Madam, for giving me an opportunity to raise an important issue of my Constituency.

Belagavi is an educational hub after Pune and Bengaluru. Every day, many students are getting involved in accidents on the roads because of congestion. This congestion is because of the Railway Over Bridges.

For the past 40 years, there is no railway over-bridge in Belgaum area. Now, the work on the railway over-bridge has started and I would request the hon. Minister to ensure that these railway over-bridges are completed in time, or within the specified time. The State Government and the local authorities are cooperating in this matter and there is proper coordination. Hence, I would request the hon. Railway Minister to direct the authorities concerned to complete the railway over-bridge on time so as to avoid such types of accidents.

Secondly, in my constituency, there is a Kendriya Vidyalaya. After ten years, the construction has been completed now. Now is the time to give admissions from 1<sup>st</sup> Standard to 8<sup>th</sup> Standard. Hence, I would request the hon. Minister to direct the authorities concerned with the Kendriya Vidyalaya to start the school in the new building and enable the students to take admissions in it.
