Title: Regarding the situation prevailing in Assam due to the presence of Jihadi groups.

SHRIMATI BIJOYA CHAKRAVARTY (GUWAHATI): Madam, I want to state here regarding the situation prevailing in Assam.

Probably, all present here are aware of the fact that Assam is under the clutches of the Jihadis. The Jihadi Groups belong to *Jamaat Ul Mujahideen*. They are operating in many Districts in Assam. They are completely unbalancing the State like anything. They are spreading their tentacles in many of the bordering Districts of Assam. Their presence is even felt very seriously in proper Guwahati.

The Jihadi Groups belong to *Jamaat Ul Mujahideen* who are causing huge bomb blasts in West Bengal too. Some of them belong to Assam. The Central Government's investigating agency, namely, NIA has identified huge groups who belong to professions like teaching staff, *Imam* of the *masjid* and 35 of them have already been arrested.

According to the Assam DIG nearly 65 Districts of Assam and West Bengal are under the clutches of these Jihadi Groups. Moreover, all Districts of Assam like Baksa, Kokrajhar, Goalpara, etc. are under these people. These people have bought their arms from not only across the border, but from Myanmar and Nagaland also. It is because security in those areas is not that strong. Naturally, instead of bringing it from Bangladesh, they are bringing their weapons from Nagaland and Myanmar. Thus, they are creating a lot of trouble there.

My plea is that unless the Central Government directly acts properly and takes stringent measures, it will be very difficult and the situation in Assam will become worse in no time. Thank you, Madam.

HON. SPEAKER: Kunwar Pushpendra Singh Chandel, Shri Chandra Prakash Joshi, Shri P.P. Chaudhary, Shri Bhairon Prasad Mishra, and Shri Nishikant Dubey are permitted to associate with the issue raised by Shrimati Bijoya Chakravarty .
