Title: Need to ensure welfare of poor athletes who won laurels for country at international events.

SHRI HARISH MEENA (DAUSA): Sir, I wish to draw the attention of this august House towards the pathetic condition of athletes in this country.

There are two tribal athletes from Rajasthan, Shyam Lal Meena and Limba Ram, who won gold medals in the Asian Games, and are living a miserable life.

I, therefore, urge the Government of India to ensure the welfare of poor international athletes, who have won medals for the country at international events.
