Title: Need to set up a Sainik School in Arambag parliamentary constituency of West Bengal.

SHRIMATI APARUPA PODDAR (ARAMBAG): My Parliamentary Constituency, Arambagh is one of the most Backward Constituencies of West Bengal and my Constituency covers two Districts viz. Hooghly and Paschim Medinipur.

The opening of Sainik School in Arambag Constituency covering two Districts could help the children of Backward Areas to get education facilities at their doorstep.

I earnestly appeal to the Government to take necessary steps to open a Sainik School in my Constituency for the benefit of rural children at the earliest.
