Title: Regarding establishment of hardware Park at Kakinada, Andhra Pradesh.

SHRI THOTA NARASIMHAM (KAKINADA): Thank you Deputy Speaker, Sir. Establishment of a hardware Park in my constituency Kakinada, Andhra Pradesh, is one such promise made by the Union Government in its first General Budget presented by Arun Jaitley ji. Kakinada is my parliamentary constituency and many educational institutions are located there. It is identified as the best place for establishment of the hardware Park. Our State Government came forward to allocate land for that. Establishment of the hardware Park will generate employment opportunities for the qualified youth of Andhra Pradesh.

I would request the Union Government to stand by the promise made and establish the hardware park at Kakinada at the earliest within a fixed time limit.
