Title: Need to bring back youth presently stranded in Malaysia.

**DR. TAPAS MANDAL (RANAGHAT):** I want to draw your kind attention to the hardships of some youth of my Constituency 13- Ranaghat (West Bengal) who went to Malaysia for working through an agreement with MIS Jatayu Plantation at Malaysia. They have not been absorbed in the said Company. They are not getting sufficient food and are at present passing days of hardship. For the last one year, they tried to come back to India, but could not succeed. Their families are in great anxiety. Under the above circumstances, please bail out these youth by bringing them back. I urge the Government to take immediate action in this regard.
