Title : Demand of CBI inquiry on smuggling uranium to Pakistan and on seizing uranium worth Rs. One crore from Muzaffarpur.

SHRIMATI ABHA MAHTO (JAMSHEDPUR) : Chairman, Sir, this matter is related to country's security and it is also related to my parliamentary constituency, it is being mentioned in the newspaper for the last few days that uranium is being stolen from Jadugoda and then smuggled from there. Two smugglers have also been arrested in Asansol. They have admitted that uranium is being stolen from that place. That uranium is sent to Kathmandu via Muzaffarpur and after that it is sent to Pakistan. Recently in Muzaffarpur uranium worth Rs. 1 crore was seized from the cement godown of one Congress leader. Uranium which is very vital commodity is being smuggled to Pakistan. My request is that an enquiry into it should be conducted through C.B.I. as we have a doubt that Management is also involved in this case.

PROF. RITA VERMA (DHANBAD) : An enquiry should be conducted into it through CBI.

' SHRIMATI ABHA MAHTO: This is an anti-national activity. My demand is that an enquiry into it should be conducted through C.B.I, immediately.
