नागर विमानन मंत्रालय में राज्य मंत्री   (Shri Jayant Sinha)

(a) to (c): Ministry of Civil Aviation launched Regional Connectivity Scheme RCS (UDAN) on 21st October, 2016. The primary objective of RCS is to facilitate / stimulate regional air connectivity including the State of Uttar Pradesh by making it affordable by supporting airline operators through (1) concessions by Central Government, State Governments and airport operators to reduce the cost of airline operations on regional routes / other support measures and (2) financial (viability gap funding or VGF) support to meet the gap, if any, between the cost of airline operations and expected revenues on such routes. The list of routes / network awarded in first and second round of bidding under RCS-UDAN from airports in Uttar Pradesh is at Annnesure-I and Annexure-II respectively.
