SHRI SANTOSH KUMAR
SHRI VIRENDER KASHYAP
SHRI ALOK SANJAR
SHRI G.M. SIDDESHWARA
SHRI MANOJ TIWARI
SHRI PARTHA PRATIM RAY**

Will the Minister of CIVIL AVIATION

तागर विमानतल मंत्री

be pleased to state:-

- (a) the salient features and plan outlay of the UDAN Scheme and its current status of implementation, State/UT-wise and details of its impact on UDAN airports so far;**
- (b) the details of the number of airlines awarded routes and Viability Gap Funding provided under this scheme during its first phase across the country, State/UT-wise including Maharashtra;**
- (c) the details of the airports connected/developed and routes awarded under this scheme during its first phase across the country, State/UT-wise along with its response;**
- (d) whether the Government has planned for a second phase of UDAN Scheme across the country;**
- (e) if so, the details thereof along with the number of routes likely to be awarded under this scheme and the number of airports to be**

connected/developed under the same, State/UT-wise;
(f) whether the Government proposes to include Helicopter Operators under this scheme, if so, the details thereof and the reasons therefor; and
(g) whether the Government is strongly emphasizing on enhancing connectivity to remote and hilly areas under this scheme, if so, the details thereof and the reasons therefor?

ANSWER

Minister of State in the Ministry of CIVIL AVIATION

नागर विमानन मंत्रालय में राज्य मंत्री

(Shri Jayant Sinha)

(a): The salient features of the scheme are as under:
i. Government subsidy Viability Gap Funding (VGF). The central government will provide concessions of around 2% excise on Value Added Tax (VAT) and service tax at 1/10th rate along with liberal code sharing for regional connectivity airports.
ii. The airlines are required to commit around 50% of the seats as RCS seats on RCS flights.
iii. The fund for this scheme would come from a Regional Connectivity Fund (RCF) created by levying Rs.5000/- on each departure of flights on aircraft having MTOW (Maximum Take-Off Weight) above 40 Tonne except the route, North East Region, Himachal Pradesh, J&K, Uttarakhand, Andman Nicobar & Lakshyadweep Islands.
iv. For balanced regional growth, the allocations will be spread equitably across five regions in the country viz. North, South, East, West and North East with a cap of 30%.
v. RCS-UDAN is market driven mechanism. Development of regional air connectivity routes is proposed to be left to market forces such that airlines undertake assessment of demand and nature of supply required on particular routes and lead the process of bidding under RCS.
vi. Unserved and Under-served airports / helipads shall be developed on firm demand from the airlines to operate from such airports / helipads. Airports / Helipads shall be developed as no frill airports with the cost upto 100 Crore with the input from concerned State and Airports Authority of India.

Outlay plan of the Scheme is at Annexure-1 for 43 RCS (12 underserved & 31 unserved) airports awarded for operations in first round of bidding under Regional Connectivity Scheme (RCS)-UDAN.

(b) & (c): The list of routes awarded alongwith estimate of annual VGF in first round of bidding under RCS-UDAN is at Annexure-2.

(d) & (e): This Ministry had launched 2nd round of bidding under RCS-UDAN on 24 August, 2017. List of RCS routes / Network awarded in second round of bidding under RCS-UDAN is at Annexure-3.

(f) & (g): Priority Area(s) have been defined in the Scheme for better connectivity for the States of Jammu and Kashmir, Himachal Pradesh & Uttarakhand, North Eastern Region of India, Andaman and Nicobar Islands and Lakshadweep Islands. Helicopter services was included in the scheme document for better connectivity of Priority Area(s). However, considering the need of priority areas (Jammu and Kashmir, Himachal Pradesh, Uttarakhand, North Eastern Region, Andaman & Nicobar Islands and Lakshadweep Islands), following incentives were provided for helicopter services:

- i. Helicopter operations under the Scheme are allowed in Priority Areas**
- ii. Viability Gap Funding (VGF) caps for helicopter operations enhanced.**
- iii. Up to 10% of the estimated annual inflow in Regional Connectivity Fund (RCF) shall be earmarked for operations through helicopters.**
- iv. All seats up to 10 passengers seats for helicopter shall be considered as RCS seats and accordingly VGF shall be provided.**

Further, For Priority RCS Routes, the number of RCS Flights to be operated in a week with VGF shall be a minimum of three (3) and a maximum of fourteen (14) departures per week from the same RCS Airport such that the RCS Flights are operated on at least three (3) days of the week.

Annexure-1

Works to be carried out / equipment to be provided for commencement of RCS flight operation with proposed aircraft at 31 unserved & 12 underserved RCS airports in 1st round of bidding
