Title: Need to establish a Railway Institute in Madurai district, Tamil Nadu

SHRI R. PARTHIPAN (THENI): For the welfare of the people of my Theni Constituency, I hereby request the Government to establish Railway Institute Regional Chapter in Madurai.

Most districts of Tamil Nadu like Ramanathapuram, Sivagangai, Theni, Virudhunagar, Thirunelveli, Kanyakumari, Dindigul Railway will get more revenue with the establishment of this institute.

People from these districts don't have any Government Institute for Railways. Considering this fact, kindly establish a Railway Institute in Madurai District. By establishing the Institute, students from the above districts will be benefited.
