Title: Need to construct a foot-over bridge at Rayakotta Railway Station in Krishnagiri Parliamentary Constituency, Tamil Nadu.

SHRI K. ASHOK KUMAR (KRISHNAGIRI): Madam, in my constituency of Krishnagiri, there are thousands of families residing in Rayakotta and about thousands of people from surrounding places are also traveling from Rayakotta Railway Station. Many of them are traveling from Bengaluru to Hosur, Salem, Erode, Tiruppur and Coimbatore. There are two platforms at this Station and the passengers cross the railway track to catch the train from either of the platforms which causes many difficulties to the students, office-going staff, old people and lady passengers. Therefore, I urge upon the Railway Minister to take necessary steps to construct a foot-over bridge at Rayakotta Railway Station.
