Title: Need to review the order of Southeast Central Railway regarding passengers of Maharashtra Express.

SHRI NANA PATOLE (BHANDARA-GONDIA): I would like to bring it to your kind notice that South east Central Railway has given permission to the passengers for travelling from Gondia to Nagpur in reserved compartments of Maharashtra Express with general tickets but return journey i.e. from Nagpur to Gondia has been restricted by the Railway authorities in the Maharashtra Express which runs from Gondia to Kolhapur and back.

I would like to request the Government for issuing instructions to concerned department for taking suitable action for allowing the passengers to travel from Nagpur to Gondia in reserved compartments of Maharashtra Express with general tickets.
