Title: Regarding train services in Jamshedpur Parliamentary Constituency of Jharkhand.

-

SHRI BIDYUT BARAN MAHATO (JAMSHEDPUR): Dhanbad to Chandrapura (DC) line has been shut down and because of this people are facing a lot of problems. Train No. 68019 has also stopped running which used to run from Jhargram to Dhanbad. Though a large number of passengers commute by this train but still it has been stopped which needs to be restarted.

Train 58031/32 used to run every day from Tatanagar to Chakulia, now it is running twice a week. People of the area are demanding that this train should run everyday as in the past.

Tatanagar to Ranchi train no. 58111/12 should be extended till Ghatshila or Chakulia because this route will fetch more passengers.
