Title: Need to construct platform shed at Canning Railway Station in Jayanagar Parliamentary Constituency, West Bengal.

SHRIMATI PRATIMA MONDAL (JAYANAGAR): Thousands and thousands of daily passengers avail train service from Canning station on Sealdah-Canning line which is under my Jayanagar parliamentary constituency, West Bengal. Construction of platform shed at Canning station is a long pending issue as local daily passengers brave rain, sunlight and cold.

I would like to request the Hon'ble Railway Minister, Government of India to take necessary action for construction of platform shed at Canning station at the earliest.
