CHAPTER I

Introductory

1.1 CPWD is the premier construction agency of the Government of India and plays a pivotal role in the construction programme of Government projects. Its activities are spread throughout the length and breadth of the country. It also undertakes the projects of Autonomous Bodies and Public Sector Undertakings as Deposit Works. CPWD came into existence in July, 1854 when Lord Dalhousie established a central agency for execution of public works and set up Ajmer Provincial Division. Through the professional expertise in disciplines including Architecture, Engineering, Project Management coupled with comprehensive experience in building construction and maintenance CPWD has been serving the nation for last 162 years and has executed priority of works in difficult and demanding geographical and climatic conditions. It has now grown into a comprehensive construction management department, which provides services from project concept to completion, consultancy and maintenance management. CPWD has PAN India presence and has ability to undertake construction of complex projects even in difficult terrain and maintenance in post construction stage. CPWD had been involved in construction of stadiums and other infrastructure requirements for Asian Games 1982 and Commonwealth Games 2010.

1.2 Besides being the construction agency of the Government, it performs a regulatory function in setting the pace and programmes for the building industry in the country. The DG, CPWD also functions as Technical Advisor to the Government of India. CPWD executes projects on turnkey basis including all the services viz. water supply, sewerage, roads, electrical, air-conditioning, fire fighting etc. Expertise in all fields of building construction namely Architecture, Civil Engineering, Structural Engineering, Electrical and Mechanical Engineering and Horticulture are available under one umbrella. The department takes upon itself full responsibility for planning, designing, estimation, evaluation of bids, finalization of contracts, defending arbitration and court cases. Once the work is entrusted to CPWD, the client is relieved of the responsibilities of preparing plans, estimates, appointing contractors, arranging materials, resolving disputes with the contractors, arbitration, court cases etc. The department provides comprehensive building construction management services and the project becomes the responsibility of the department.

ORGANISATIONAL SET UP

1.3 Central P.W.D. is executing works across length and breadth of the country. There are seven Regions, namely; New Delhi Region, Delhi Region, PWD Region, North Region, South Region, East Region and West Region which are headed by Addl. Director General/Engineer-in-Chief apart from dedicated unit of Additional Director General (Border), which is looking after border fencing, road and lighting works along Indo-Pak and Indo-Bangladesh borders. CHAPTER-II

REPRESENTATION OF OBCs IN CPWD

2.1 On being asked about the total staff strength of the CPWD and the number of OBC employees at various levels of posts in the hierarchy, the Ministry of Housing and Urban Affairs in a written reply informed as under:-

Representation of OBCs (as on 01/01/2018)			
Groups	Total Employees	OBCs	Percentage
(1)	(2)	(3)	(4)

B	7513	896	11.93%
C	16544	1042	6.3%
Total	25452	2113	8.3%

2.2 The Committee asked the reason for such a low representation of OBC employees in the department. During the evidence held by the Committee on 22nd May, 2018 the representative of the Ministry stated that:-

महोदय, आरक्षण पॉलिसी वर्ष 1993 से इम्प्लीमेंट हुई है, लेकिन यह फिगर शुरू से है ।

2.3 In this connection the Ministry in written reply stated that:-

"Reservation for OBC category was introduced in the Year 1993. Since then whatever vacancies arose in each cadre in direct recruitment are being filled up in accordance with the prescribed reservation. Further, in accordance with the instructions contained in the Department of Personnel Training's OM No. 36012/5/97-Estt. (Res.) dated 29.08.1997, the 50% limit of reservations is being followed to the current vacancies"

2.4 Regarding merely 6.3% of OBC representation in Group "C", the Ministry, in a note stated the following reasons:-

"In group-C, out of total strength of 16544 , Work-Charged employees are 11480 which is major constituent of Group-C. As per policy of Government, no direct recruitment is being made in the Work-Charged vacancies."

2.5 Furthermore, the Committee desired to know about the categories of posts in the organisation (Technical & Non-technical) in which reservations are made for OBC candidates along with the pay scales of all such posts. CHAPTER-III

IMPLEMENTATION OF RESERVATION POLICY FOR OBCs IN RECRUITMENT

3.1 The Committee sought information about the year-wise details of the recruitment made under various categories of posts in CPWD since the year when the reservation for OBCs was introduced in 1993. The information supplied by the Ministry is placed at Annexure-II and III.

3.2 During the oral evidence held on 22nd May, 2018, the Committee highlighted the fact that the requisite percentage of 27% reservation for OBCs was not fulfilled. Asked to give the reasons, the representatives of CPWD stated that the shortage in filling up of vacancies in OBC category is mainly due to non-joining of candidates and non-availability of eligible OBC candidates. The representative of CPWD during the oral evidence submitted as below:-

“अभी तक ज्वाइन किया है । अपॉइंटमेंट लैटर दे दिए गए हैं । उसमें मेडिकल एक्जामिनेशन होता है । ज्वाइन करने में थोड़ा टाइम लगता है ।”

BACKLOG VACANCIES

3.3 The Committee sought information regarding backlog vacancies reserved for OBCs in CPWD. In reply the Ministry submitted a statement showing number of vacancies as under:

"Backlog vacancies exist in Group-B, Group-C (MTS) and work charge category. Recruitment rules are in the process of revision for work charged category and recruitment process can be completed after approval of RRs. Details of backlog vacancy are as per Annexure IV.

3.4 Asked about the reasons for backlog, the representative of CPWD stated during the evidence as under:-

“जो 27 परसेंट का रिजर्वेशन है, उसके हिसाब से रिक्रूटमेंट हो रहा है । हर लेवल पर हो रहा है । दो लोगों ने ज्वाइन नहीं किया, जिनका इंटीमेशन हम हर साल दे रहे हैं । उसके हिसाब से हर साल रिक्रूटमेंट हो रहा है । इसको हम लोग फॉलो कर रहे हैं और जो 27 परसेंट की रिजर्वेशन पॉलिसी है, उसको हम लोग बड़ी स्पिरिट के साथ फॉलो कर रहे हैं । एक-आधे बैकलॉग और हैं । उसको हम इंटीमेंट करते जा रहे हैं । हर साल सैलेक्शन होता है ।”

3.5 When questioned about category wise existing backlog vacancies for OBC candidates, the representative of CPWD informed the Committee during evidence that there were no backlog vacancies.

3.6 On detailed examination of the recruitment data furnished by the Ministry of Housing and Urban Affairs, the Committee discerned that there was huge backlog in vacancies under OBC category. As per the information furnished by the Ministry, the Committee noticed 02 backlog vacancies of OBCs for the post of Assistant Architect in 2013-14 and enquired about the same. The Ministry in written note stated as below:-

"02 OBC backlog is due to non joining of candidates in recruitment year 2013-14"

3.7 The Committee raised this issue with the representatives of the Ministry and CPWD during the evidence. The representative of CPWD deposed as below:-

“यह असिस्टेंट डायरेक्टर का है । इसमें हमारे दो बैकलॉग की पोस्ट है और एक वर्ष 2017-18 की पोस्ट है । तीन पोस्ट बाकी हैं, जिसके लिए हमने एसएससी को इंटिमेट किया है । हमको वर्ष 2017-18 में तीन पोस्ट भरना है । दो पोस्ट बैकलॉग की हैं । जिनका वर्ष 2013-14 में सैलेक्शन हुआ था, किंतु कैंडिडेट ने ज्वाइन नहीं किया था ।”

3.8 Not being satisfied by the reply given by the representatives of the Ministry and CPWD, the Committee sought clarification on 02 pending vacancies of the post of Assistant Architect since 2013-14 which seems to be still pending in Staff Selection Commission and also desired to know the initiatives taken to coordinate with Staff Selection Commission in order to fill up these vacancies on time. In this regard, the Ministry of Housing and Urban Affairs in a written note clarified as follows:-

"The following action is being taken for filling up of the vacancies for the post of Assistant (AD) in the category of OBC:

On being asked about the steps taken or proposed to be taken to fill up the backlog, the representative of the Ministry stated as below:-

“दो लोग सैलेक्ट हुए थे, लेकिन उन्होंने ज्वाइन नहीं किया था । इसलिए उसका बैकलॉग रह गया । उसके बाद एक का है । टोटल तीन वैकेंसी ओबीसी में है । हमने एसएससी को सैलेक्शन के लिए इंटीमेट किया है ।”

3.10 The Committee asked about the steps taken/proposed to be taken to fill up the vacancies in OBC category in CPWD. In this regard, the Ministry in a written note stated as follows:-

"Matter was pursued with SSC for group C posts and now Dossiers for LDCs have been received, Dossier for Group-B (07 No) and Group C (35 No) are awaited from SSC. For work charged vacancies action will be completed after approval and notification of RR's"

3.11 On closer examination of the recruitment for the post of Junior Engineer it ensued that that recruitment process which was initiated in 2015 is yet to be completed and joining of service by 117 successful candidates belonging to OBC category is still pending. The Committee asked the representatives of the Ministry and CPWD about the reasons for such delay in recruitment process and measures being taken by the Ministry and CPWD to expedite the same. The Ministry in written note submitted as below:-

" Brief reasons for delay in recruitment process are as below:

- (i) The Notification for JE Examination, 2015 was published on 11.07.2015
- (ii) Part-I of the examination was conducted on 31.01.2016.
- (iii) Results of Part-I was declared on 05.05.2016.

- (vi) Dossiers of successful candidates were received from different regional offices of SSC during October and November, 2017.
- (vii) After receiving of dossiers from SSC, candidates were asked to send various documents viz., Preference of regions for posting, Attestation Form, Identity Certificate, Medical Fitness Certificate etc. within a month.
- (viii) After receiving of the above documents, a database had been prepared before allocation of these candidates to different regions of CPWD as various information relating to direct recruitment are frequently asked by various Ministries/Departments/Organisations on many occasions.
- (ix) This Directorate had allocated successful candidates to different regions of CPWD in the month of February, 2018 and all DDGs (Ccord./HQ) were requested to issue offer of appointment at the earliest for appointment/posting in the respective places of the Department.

The Department has taken every possible step to expedite the joining of the OBC candidates nominated by SSC on the basis of JE Exam., 2015.

3.12 On detailed examination of Annexure III(1) the Committee observed that out of total number of 456 vacancies in OBC category to the post of multitasking staff have been shown as lying vacant. The Committee enquired about the reasons for not filling of the vacancies in the department in such a great number and asked about the steps taken or proposed to be taken to fill up the vacancies. The Ministry of Housing and Urban Affairs in written reply submitted as below

"Reason for delay in the recruitment of MTS and Action Taken to fill up the vacancies are as follows:-

- (a) SSC has not concluded recruitment for the post of MTS preceding to the year 2016 and the vacancies of OBCs for the year 2014-15 were reported to Staff Selection Commission in the year 2016.

- (f) The result of MTS Exam 2016 was uploaded on Commission's website on 16.05.2018.
- (g) From above it is seen that from requisition to result, a period of two years has been taken by SSC.
- (h) 28 dossiers of OBCs have been received in SR on 28.05.2018 & 28 dossiers have been received in ER in last week of May and the joining process in the respective regions have been initiated.
- (i) Rest of dossiers are awaited from SSCs concerned and it has been confirmed from different regions of SSC that the dossiers of the selected candidates would be dispatched within 10 days to Coordination Units of CPWD."

3.13 The Committee were not satisfied with the explanation given by the CPWD and suggested them to ensure implementation of reservation orders of the Government in letter and spirit.

From the information furnished by the Ministry, the Committee discerned that regardless of the category of post there was avoidable delay in overall recruitment process in CPWD and raised this issue during evidence with the representatives of the Ministry and CPWD. In this regard, the representative of the CPWD submitted that:-

“दो साल का समय लग जाता है, क्योंकि एसएससी में एक्जाम थोड़े विलम्ब से हो रहे हैं एसएससी का अपना प्रॉसेस है । वे अपना समय लेते हैं । हम लोग हर साल अपना इंटिमेशन देते रहते हैं ।”

SPECIAL RECRUITMENT DRIVE

3.14 To a question about the present status of special recruitment drive initiated by the CPWD and number of OBC employees so far inducted , the Ministry stated as under:-

PART-II

Observations/Recommendations of the Committee

Organisation and Data Management in Recruitment

1. CPWD has been serving as the premier construction agency of the Government of India for the last 162 years. Through the professional expertise in disciplines including Architecture, Engineering, Project Management coupled with comprehensive experience in building construction and maintenance, CPWD has now grown into a comprehensive construction management department which provides services from project concept to completion, consultancy and maintenance management. Central PWD is executing works across the length and breadth of the country with seven Regions, namely; New Delhi Region, Delhi Region, PWD Region, Northern Region, Southern Region, Eastern Region and Western Region which are headed by Additional Director General/Engineer-in-Chief apart from ADG(Border) looking after border fencing, road and lighting works along Indo-Pak and Indo-Bangladesh borders. ADG(Arch) assists the Director General (Works) at the Headquarters in Architectural Planning and Designing projects and ADG(Trg.) is in charge of Training activity in CPWD; Director General being the overall head of the Department.

The Committee note that as on 1st January, 2018, there were 25,452 employees in CPWD. Of these, only 2,113 employees belonged to OBC category constituting just 8.3 per cent of the total number of employees. In Group 'A' service, the representation of OBCs was 12.54 per cent; in Group 'B', 11.93 per cent; while in Group 'C', the representation of OBCs is miserably low at 6.3 per cent. The Committee find this position to be unreasonable as the reservation for OBCs was made effective way back in 1993 i.e. two and a half decades back. The reasons cited by CPWD for the inadequate or low representation of OBCs are routine in nature and lack substantive reasoning. Had there been regular, optimum and timely recruitment to fill up all the vacancies against the sanctioned posts since the policy of reservation came into effect in 1993 by following the stipulated norms of reservation, the representation of OBCs would have been much better now. Moreover, the Committee find that there is no data pertaining to recruitment available for the period from 1993 to 2010. In the opinion of the Committee, this is a substantial period of time for which no scrutiny or analysis is possible owing to the absence of any authentic data with regard to the number of sanctioned posts, number of vacancies available and recruitment made in OBC category, post-wise, Group-wise and

year-wise. The Ministry of Housing and Urban Affairs have stated that the requisite information for the period 1993 to 2010 is not readily available as the same pertains to an old period. They have further informed that efforts are being made to trace the relevant files for compiling the requisite information. The Committee in this regard, expect that no effort would be spared for tracing and compiling the requisite information for the period. From the replies furnished by the Ministry, it is also evident that the data pertaining to recruitment and implementation of reservation has not been compiled in digital format by the CPWD. They, therefore recommend that the Ministry should reap the benefit of technology in this regard, as advancements in digital technology have made data compilation, analysis and maintenance very easy. The Committee trust that the requisite data will be compiled and made available to the Committee at the earliest.

Ensuring proper representation of OBCs in total workforce

2. While citing the reasons for low representation of OBCs in the organisation, especially in Group-‘C’ posts where representation of OBCs is only 6.3 per cent, CPWD have informed that in Group-‘C’ category, of the total strength of 16,544 employees, the number of work-charged employees is 11,480, which is a major constituent of Group- ‘C’. The Committee have been given to understand that no direct recruitment is being made for filling up work-charged vacancies as per the policy of the Government. They have also been informed that recruitment rules are in the process of being revised for work-charged category and that the recruitment process can be completed following the finalisation of Recruitment Rules. The Committee find that a major chunk of Group-‘C’ employees belong to work-charged category and feel that keeping the recruitment of employees of this category beyond the ambit of reservation will go against the spirit of the reservation policy of the Government in favour of the socially and educationally backward classes. The Committee, therefore, expect that the Recruitment Rules for the work-charged category which are already under revision will be reframed in such a way so as to introduce direct recruitment therein and thereby pave the way for judicious inclusion of OBC candidates under the work-charged category in CPWD. The Committee desire to be kept apprised of the progress in regard to revision of the relevant Recruitment Rules.

Implementation of Reservation Policy for OBCs in Recruitment

3. The scrutiny of the year-wise and post-wise data of recruitment in CPWD reveals that in the Group- ‘B’ post of Assistant (AD), no recruitment has been executed since the

year 2014-15. The Committee were informed that requisition for filling up vacancies that arose during the year 2014-15 and 2015-16 has been sent to the SSC, Allahabad and Chennai and the proposal for filling up vacancies that arose during the year 2016-17 and 2017-18 was under process. Besides, for the post of Junior Engineer (C), only 87 OBC candidates had joined out of the total of 204 OBC vacancies in 2015. The dossiers of the successful candidates of the year 2016 were received only during March, 2018. For the Group 'C' post of Lower Division Clerk, dossiers of only 22 OBC candidates were received from SSC against 135 OBC vacancies for the year 2016. Further, the Committee find that the recruitment against a total of 456 OBC vacancies for Multi Tasking Staff was pending for the recruitment year of 2017. Explaining the reasons, the Ministry has informed that SSC has not conducted recruitment for the post of MTS preceding to the year 2016 and the OBC vacancies for the year 2014-15 were reported to SSC in the year 2016. Against this backdrop, the Committee observe that there has always been substantial period of delays that are avoidable in the whole recruitment process in CPWD, which would not only be a matter of deep concern not only for the candidates, but also go against the overall interest of the organisation itself. The Committee, therefore, recommend that the Ministry of Housing and Urban Affairs expedite the whole process of recruitment in coordination with SSC and make all out efforts to fill up all the pending OBC vacancies in various categories of posts without any further delay.

Grievance Redressal and Role of Liaison Officer for OBCs

4. The Committee note that CPWD had appointed their DDG(HQ) as Staff Grievance Officer on 14th July, 2016 and had advised all the CPWD officials to send their grievances in respect of service matters of CPWD to the Staff Grievance Officer by email in PDF format. It was informed that OBC employees can report their grievances to Liaison Officer for OBCs also. However, the Committee are astonished to find that this is not mentioned anywhere in the charter of duties attached to the appointment order of the Liaison Officer for OBCs. Besides, the Committee had during the course of examination of the subject raised the specific question as to whether the management holds periodic meetings with the OBC Employees' Welfare Association/Union to sort out their problems/grievances. The Ministry, in their reply in this regard, had informed that no welfare association had approached the management with the problems/grievances. The Committee find this submission to be ambiguous and not clear about the existence of any such association in CPWD. Moreover, the Committee are also doubtful about the management being open for any periodic meetings with the OBC employees'

representative bodies, if at all they exist. In this scenario, the Committee are not surprised that no complaints from OBC employees have been received in the last two years. They are of the opinion that the employees belonging to OBC community generally do not come forward with their grievances, complaints and suggestions easily as they hail from the background of socially and educationally deprived section of the society. The Committee, therefore, recommend that the Liaison Officer for OBCs should be empowered to deal with the grievances and complaints of the OBC employees by categorically including a provision to this effect in the Charter of duties of the Liaison Officer for OBCs. This would enable the Liaison Officer to serve as a bridge between the OBC employees and the management. The Committee would also like to emphasise that the grievances sent in writing should also be taken into consideration as all the employees may not be well versed in sending the same through email in PDF format. They also recommend that the Ministry of Housing and Urban Affairs to develop a mechanism to hold periodic meetings with the representative bodies/OBC employees proactively so that the employees hailing from the downtrodden section of the society may find their say in the organisation and feel associated and connected, which will ultimately prove to be beneficial for the organisation itself.

Outsourcing/Engaging Contractual Employees

5. The Committee note that contract agencies have been engaged by CPWD for construction and maintenance services on consideration of economy and speed, efficiency and more effective delivery of public services. However, the Ministry have failed to provide any details of such agencies and number of contractual employees engaged for different services during the last three years. The Committee have been informed that CPWD does not employ contracted labourers and contracts are drawn with contract agencies for execution of construction and maintenance works. The Ministry have admitted that the details of the contract labourers and agencies engaged in construction and maintenance works are not being centrally maintained by the department. As such, on the issue of representation of backward classes among the contractual employees, they have stated that in the CPWD Works Manual and CPWD Standard Contract Agreement Forms, there is no provision for issuing recommendations/directions to the contractor for engaging labourers of any specific category. While not putting any question mark on the Government policy decision to engage contract employees for certain services and works under the department, the Committee feel that such appointments through contract agencies adversely affect the

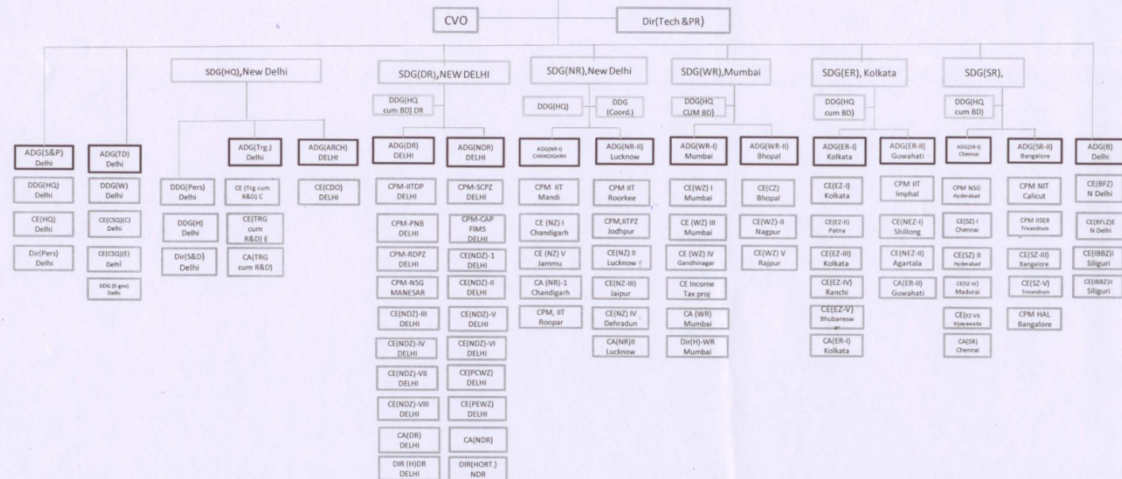

opportunities that are otherwise available to the reserved classes in regular appointments. They, therefore, desire that there should be some initiative on the part of the Government to explore the way to give representation to the backward classes in such contractual employment so as to honour the spirit of the Constitution of India towards ensuring equal opportunity and inclusive growth for socially and educationally backward classes. The Committee also suggest that the payment of minimum wages as per the Minimum Wages Act and provision of other facilities, pertaining to healthcare, PPF, insurance and social security benefits should also be ensured for such contractual workers by establishing a proper monitoring mechanism in the department in this regard.
