

**Cost Escalation of M.B.T. Project**

3351. SHRIMATI LAKSHMI PANBAKA : Will the Minister of DEFENCE be pleased to state :

(a) whether the M.B.T. project was approved in 1974 at the cost of Rs. 15.50 crore and latter in 1987 at Rs. 280.80 crore;

(b) if so, whether the Government have conducted any enquiry to know the factors responsible for cost escalation of this project; and

(c) if so, the outcome thereof ?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES) : (a) Yes, Sir.

(b) We have analysed the causes of cost escalation and these are subsequent changes incorporated in the qualitative requirements such as fire power, protection and mobility; substantial increase in the scope of project by the Army envisaging higher number of prototypes and manufacture of pre-production series tanks. Such changes in the qualitative requirements for a major project like MBT Arjun, which has a long gestation period, are quite normal to guard against obsolescence at the time of completion of development and bulk production.

(c) Does not arise in view of the answer to (b) above.

[Translation]

**Airports Authority of India**

3352. SHRI PANKAJ CHOUDHRY : Will the Minister of CIVIL AVIATION be pleased to state :

(a) whether the Government contemplate to make Airports Authority of India a separate commercial unit;

(b) if so, the details thereof; and

(c) the time by which a final decision in this regard is likely to be taken ?

THE MINISTER OF CIVIL AVIATION (SHRI ANANTH KUMAR) : (a) to (c) Airports Authority of India has been set up as separate entity under the Airports Authority Act, 1994 which stipulates that the Authority shall act, as far as may be on business principles in the discharge of its functions.

[English]

**Production of Bauxite**

3353. DR. SAROJA V :  
SHRI R.S. GAVAI :

Will the Minister of STEEL AND MINES be pleased to state :

(a) the locations of Bauxite mines in the country alongwith the production capacity of each mine State-wise;

(b) whether some new Bauxite mines have been discovered in the country ;

(c) if so, the details thereof location-wise; and

(d) the quantity of the estimated Bauxite deposits discovered in each of the new area ?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI RAMESH BAIS) : (a) The State-wise and district-wise location of bauxite mines in the country along with their production is given in the Statement enclosed.

(b) No new deposit of bauxite has been established by Geological Survey of India during the last five years.

(c) and (d) Does not arise.

**Statement**

*List of Mines Processing Bauxite, 1997-98*

#### Restoration of Air Service in West Bengal

3354. KUMARI MAMATA BANERJEE : Will the Minister of CIVIL AVIATION be pleased to state :

(a) whether the Government propose to restore the Alliance Air services for Dinhat, Balurghat and Malda in West Bengal;

(b) if so, the details thereof; and

(c) if not, the reasons therefore ?

THE MINISTER OF CIVIL AVIATION (SHRI ANANTH KUMAR) : (a) to (c) No, Sir. The traffic on these sectors is not adequate for operations with the existing Jet aircraft fleet of Indian Airlines. Shortage of smaller capacity aircraft and the related operating crew also do not permit operation of service on these routes by Indian Airlines. Private operators are being encouraged to include new stations such as Cooch-Behar, Balurghat and Malda in their network, subject to viability.

#### Impact of US Sanctions on LCA and M.B.T. Projects

3355. SHRI R. SAMBASIVA RAO : Will the Minister of DEFENCE be pleased to state :

(a) whether the US decision to impose sanctions on India is likely to affect already delayed Light Combat Aircraft and Main Arjun Battle Tank.

(b) if so, the extent thereof.

(c) the extent to which the military aid by USA is likely to be cut off; and

(d) its impact on our military systems development?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES) : (a) and (b) These sanctions will not affect the Main Battle Tank ARJUN and the LCA programme. The small impact on schedule of LCA is being overcome by concentrated effort by a national team.

(c) Military sales to India have been terminated. Export licences for commercial sale of items under US Munitions list have been revoked. The military-to-military programmes including certain education programmes and official exchange visits have been suspended.

(d) Certain components, sub-assemblies and test equipment required for on-going Defence R & D programmes may be denied by US Government. Efforts are being made to identify alternate sources. Actions have already been initiated to undertake indigenous development of a number of such critical items.
