9. Announcement by Speaker ✓

The Speaker made an announcement about the recommendation of the Rules Committee regarding the question of restricting the time devoted to Calling Attention by the House.

10. Resolutions

The Speaker placed the following four resolutions which were unanimously adopted by the House:—

- (i) "Recalling the Resolution passed in the Lok Sabha and statements on August 19, 1985 and in the Rajya Sabha on August 20, 1985 regarding the situation in South Africa and the decision of its racist authorities to execute the valiant freedom fighter Benjamin Moloise,

Recalling also the repeated appeals by the international community including the United Nations General Assembly and Security Council, the Non-aligned Movement and Heads of State/Government of Commonwealth countries for reprieve and clemency for Benjamin Moloise,

Having learnt with deep indignation and horror of the execution of Benjamin Moloise in arrogant defiance of international opinion,

The House unanimously resolves

- (1) *To strongly condemn* the killing of Benjamin Moloise which is a mockery of all forms of law and justice,
- (2) *To condemn* the other recent killings, arbitrary arrests and detention of members of mass organisations in South Africa struggling against apartheid,
- (3) *To demand* that the South African authorities release without conditions Nelson Mandela and all other political prisoners and detainees,
- (4) *To continue* to extend all possible support to the freedom struggle of the people of South Africa and to expound their cause in all international forums,
- (5) *To express* its regret at the failure of the Security Council at its recent meeting to impose mandatory sanctions on South Africa under Chapter VII of the Charter of the United Nations due to the negative votes of certain members,

- (6) To call upon all Governments to impose effective and comprehensive sanctions against South Africa with a view to compelling it to dismantle the "apartheid" system and vacate its illegal occupation of Namibia."
- (ii) "On the eve of the meeting between the leaders of the United States and the Soviet Union commencing in Geneva tomorrow, the House expresses its grave anxiety at the tension prevailing in the world today. It is deeply concerned about the renewed escalation of the arms race, particularly the nuclear arms race. More than 50,000 nuclear warheads, capable of obliterating mankind from the face of the Earth several times over, abound in the stocks of the arsenals of the nuclear weapon States. The development of the new defensive weapon systems is bound to lead to a further escalation of the nuclear arms race and enhance the danger of the outbreak of a nuclear war. Global military expenditure, which has reached the staggering level of one trillion dollars and is set for a quantum jump if the new weapon systems in the early stages of development are pursued, has pre-empted large amounts of resources which are required for meeting the pressing needs of development, and particularly for combating poverty, ignorance and disease in the developing world, and has emerged as a major factor responsible for the structural malfunctioning of the world economy.

The House, therefore, urges the leaders of the US and USSR to make every effort to reach an agreement on substantial reductions in the stockpiles of nuclear warheads. Pending such an agreement, they should declare an immediate moratorium on further testing and development of nuclear weapons. The House also calls upon them to reach an understanding which will prevent the extension of the arms race into Outer Space, which is the common heritage of mankind and should be preserved exclusively for peaceful purposes. The House finally strongly urges the nuclear weapon States to foreswear the use or threat of use of nuclear weapons pending their final elimination. This would help reduce the level of anxiety in the world and would make nuclear arsenals redundant."

- (iii) "The House expresses its deep sense of grief and sorrow at the enormous loss of human life and property on account of the cyclonic storm in Tamil Nadu. Our heart-felt condolences may be conveyed to the survivors of the tragedy in that State."
- (iv) "This House wishes to convey its deepest sympathies with the people of Columbia who have been victims of the fury of nature."
