19. Resolution

The Speaker proposed the following resolution on behalf of the House :-.

"This House rejects and deplores the Resolutions passed by the National Assembly of Pakistan on August 13, 2013 and of the Provincial Assembly of Punjab which make absolutely baseless and unfounded allegations against the Indian Army and the people of India.

There should be absolutely no doubt in any one's mind including members of the Pakistan National Assembly that it was the Pakistan Army that was involved in the unprovoked attack on an Indian army patrol on our side of the LoC on August 06, 2013.

It is unfortunate that Pakistan chose to indulge in such unprovoked attacks at a time when efforts were being made to establish a long lasting framework of peaceful, friendly and cooperative ties so that both countries may henceforth devote their resources and energies to the pressing task of advancing the welfare of their people.

India is not a threat to Pakistan or the people of Pakistan. It is the terrorist groups that have been nurtured by Pakistan to target India and have become the biggest threat to peace in the region.

This House also strongly condemns the action of the Pakistan Army and reiterates once again that the entire state of Jammu and Kashmir including the territory forcibly and illegally occupied by Pakistan is an integral part of India and will always remain so. India upholds the sanctity of the Line of Control and calls upon the Government of Pakistan to abide by the ceasefire commitment of 2003 along the international border and Line of Control both in letter and spirit.

This House pays tribute to the courage and valour of the Indian Armed Force personnel who laid down their lives while upholding the sanctity of the Line of Control. Our restraint should not be taken for granted nor should the capacity of our Armed Forces to ensure the territorial integrity of our nation.

I hope the House Agrees."

The House agreed.

Thereafter, the Speaker made the following observation :-

"Hon'ble Members, the discussion on the motion for consideration of the Land Acquisition, Rehabilitation and Resettlement Bill, 2011 is over. The House will now take up for voting the motion for consideration, the clause-by-clause consideration and the motion for passing of the Bill.

Hon'ble Members would appreciate that the Bill is an important piece of legislation and a number of amendments are to be moved by the Government as well as by private Members to the clauses of this Bill. I anticipate that on certain clauses or amendments to clauses, there may be a demand for voting by division. Hon'ble Members are aware that before division takes place, the Secretary-General informs the Members about the procedure of operating the Automatic Vote Recording Machine, which the Members are requested to listen to carefully.

I would also like to inform the House that several identical amendments to various clauses of the Bill have been tabled by the Hon'ble Members. As per practice, moving of identical amendments is not in order. Therefore, in cases where identical amendments are tabled by members, the practice is to call the Member who has tabled his notice of amendment first in point of time to move this amendment. If the Member is not present in the House or does not move his amendment, then the name of the second Member or the third Member and so on who may be present and wants to move his amendment is called. Therefore, when the relevant clauses are taken up, I will call the names of Hon'ble Members accordingly."
