**3.06 P.M.****8. Observation by Speaker**

The Speaker made the following observation :-

"Hon'ble Members, before we take up the discussion on the Demands for Grants of the Ministry of Rural Development, I have another small observation to make. It has been brought to my notice that the detailed Demands of the Ministry of Rural Development were laid on the Table of the House on Friday, the 11<sup>th</sup> March, 2011. The Outcome Budget of the Ministry has been laid on the Table only today. The Annual Report of the Ministry in English version only is also being circulated to the Members today.

Although, there is no rule which bars the discussion on Demands for Grants of a particular Ministry for want of Annual Report and Outcome Budget of that Ministry, yet, I am of the view that these documents including the detailed Demands for Grants should be made available to the Member sufficiently in advance so that they get enough time to study them. I would, therefore, urge upon the Government to ensure that in future the detailed Demands, the Outcome Budgets and also the Annual Reports of the Ministries whose demands are to be discussed in the House are made available to the Members sufficiently in advance."

### **1. Observation by Speaker**

The Speaker made the following observation:-

“Hon’ble Members would recall that during the Budget Session, 2010, I had, for the first time, permitted the moving of the cut motions to the Demands for Grants, which were to be guillotined. Hon’ble Members would also recall the practical difficulties faced at the time of disposal of those cut motions.

As the Hon’ble Members are aware, the further discussion on the Demand for Grant of the Ministry of Mines and the discussion on the Demand for Grant of the Ministry of Road Transport and Highways will be taken up by the House today. The guillotine in respect of the remaining outstanding demands will take place at 6 P.M. To facilitate smooth disposal of cut motions to the outstanding demands, I would request the Hon’ble Members present in the House whose cut motions to the outstanding demands have been circulated to send slips to the Table within 15 minutes indicating the serial numbers of the cut motions they would like to move at the time of guillotine. It may please be noted that only those members who send slips to the Table within 15 minutes of this announcement would be permitted to move cut motions at the time of guillotine, and they will be permitted to move only those cut motions the serial numbers of which have been indicated by them in their slips.

A list showing the serial numbers of the cut motions which the Members intend to move at the time of guillotine will be put on the Notice Board shortly thereafter. In case any member finds any discrepancy in the list, he may kindly bring it to the notice of the officers at the Table immediately.

Hon'ble Members are requested not to mention in their slips to be sent to the Table now the cut motions in respect of the Demand for Grant of the Ministry of Road Transport and Highways which is scheduled for discussion later in the day. A separate announcement regarding moving of cut motions to that demand will be made when the discussion on that demand is taken up today."
