The Speaker, thereupon, made the following Ruling :-

"Hon'ble Members, I agree that as per rule 219, the primary object of a Finance Bill is to give effect to the financial proposals of the Government. At the same time, this Rule does not rule out the possibility of inclusion of non-taxation proposals. Therefore, a Finance Bill may contain non-taxation proposals also. In the past also, though rare, the Finance Bills have had non-taxation proposals.

Nevertheless, the fact is that a well-established practice of this House has been not to include non-taxation proposals in not only a Finance Bill but also other Bills containing taxation proposals unless it is imperative to include such proposals on constitutional or legal ground. Therefore, every effort should be

made to separate taxation measures from other matters unless it is on some such unavoidable reasons to do so in a particular case.

Therefore, keeping in view the facts that rule 219 does not specifically bar inclusion of non-taxation proposals in a Finance Bill, I rule out the Point of Order".

The motion that the Bill, as amended, be passed was moved by Shri Arun Jaitley.

The motion was adopted and the Bill, as amended, was passed.
