3. Observation by the Speaker

The Speaker made the following observation:-

"Hon'ble Members, the incidence of disorderly conduct on the part of a few members in Lok Sabha during the proceedings of the House since yesterday is very unfortunate. All of us are very much pained with the ruckus caused in the House over the past few days. We may be in disagreement with the Government on some issues. We may be hurt due to certain actions and conduct on the part of the honourable members. There are several ways in which members can resort to express their views. One hurts somebody's ego and then the other one cause

disruptions, this is uncalled for. We should not go against the decorum of the House. People have voted us not to violate laws or rules in the House but to make legislations for the welfare of people and the nation at large.

After being elected as an M.P., we expect that our respect should be maintained as this is our privilege. At the same time, we must not forget that it is also incumbent upon the members to conduct themselves in a dignified manner in observation of the rules. One must not show placards or raise any slogan in the House. It is not fair and proper to reach the well of the House and to conduct oneself in an undignified manner whether inside or outside the House, directly or indirectly. It is enjoined upon all the honourable members of the House to maintain decorum, dignity and order in the House to abide by the same to uphold the dignity of the House. In fact, the term "Democracy" itself means self-discipline. When we ourselves cause disorder and chaos, this leads to several uncalled for episodes and incidences. Allegations and counter-allegations are hurled upon one another which hurts every citizen of the country and erodes democratic values as well. It is of utmost significance for MPs to abide by the standards of discipline and decency to maintain the decorum of Parliament. The attention of the members is invited towards the provisions made in the Rules of Procedure and Conduct of Business in Lok Sabha wherein Parliamentary customs, conventions and etiquette are laid down and the same is brought to the notice of the members through Bulletin Part-II everyday. I would like to request all the honourable members that they should take a resolve that they will not enter the well of the House or will not display placards in the House in any way whatsoever. Besides, they will raise their concerns from their own seats and invariably maintain the dignity of the House.

Hon'ble members, the whole country watches us closely as to how we conduct ourselves in the House. Therefore, I urge upon the Leaders of

all Political Parties to ask their members to desist from indecent behaviour in the House. I would request all the Leaders as well as the honourable members to cooperate in the smooth functioning of the House. It is all the more serious issue if we are not inclined to respect even the person sitting in the Chair."

12.11 P.M.

9. The Budget (General) – 2014-15 – Demands for Grants

Time Taken: 4 Hrs. 42 Mts.

Discussion on the Demands for Grants No. 106 under the control of the Ministry of Water Resources for 2014-15 commenced.

Shri Jai Prakash Narayan Yadav raised a point that as the Annual Report and other papers pertaining to the Ministry of Water Resources had not been laid on the Table of the House, the Demands for Grants of the Ministry should not be taken up for discussion.

The Speaker, thereupon, made the following observation:-

"Although, there is no rule which bars the discussion on the Demands for Grants of a particular Ministry for want of documents like Annual Report, Outcome Budget or the Detailed Demands for Grants of that Ministry, yet, I am of the view that these documents should be made available to the Members in advance so that they get sufficient time to study them. I know what has been done in Budget. This thing has happened previous also. Although today details have been provided to you. I would, therefore, urge upon the Government to ensure that in future the Detailed Demands, the Outcome Budgets and also the Annual Reports of the Ministries whose Demands are to be discussed in the House are made available to the Members sufficiently in advance. We will keep this thing in mind for the future. Right now, I know how this procedure has been followed.
