The Speaker added that the Chief Editor, Executive Editor, Printer and Publisher and the City Correspondent of the said newspaper to whom the notice was referred for comments, in

## BULLETIN—PART I

[Brief Record of Proceedings]

Wednesday, March 29, 1989/Chaitra 8, 1911 (Saka)

No. 432

11.01 A.M.

### 1. Starred Questions

Starred Question Nos. 391, 394, 396—398 and 400—402 were orally answered. Starred Question No. 392 was postponed to a date to be intimated later on. Replies to Starred Question Nos. 393, 395, 399 and 403—410 were laid on the Table.

### 2. Unstarred Questions

Replies to Unstarred Question Nos. 3730—3791, 3793—3861, 3863—3891 and 3893—3951 were laid on the Table.

### 3. Ruling by the Speaker

The Speaker informed the House that on 6 March, 1989, he had received a notice of question of privilege from Prof. Madhu Dandavate against Shri S. B. Chavan, Minister of Finance for allegedly deliberately misleading the House on 28th February, 1989, during his Budget speech. In his notice, Prof. Dandavate stated *inter alia* that in the Budget for 1989-90, the Finance Minister had projected an overall deficit of Rs. 7,337 crores after taking credit for an amount of Rs. 2,300 crores from the pool account of the Oil Coordination Committee lodged in the Public Account.

The Speaker added that in his reply dated 8 March, 1989, the Minister of Finance to whom the notice was referred for

1  
comments had *inter alia* stated that the pool account of Oil Coordination Committee represented the surplus accruing to oil companies arising from the difference between selling prices of petroleum products and retention prices allowed to the companies. As the Oil Coordination Committee kept their funds in deposit with Government since these were surplus to their normal requirements, it was decided that Rs. 2,300 crores should be transferred from deposit account as contribution to Government. The Minister further stated that the overall deficit of Government was computed taking into account the transactions of the Consolidated Fund as well as Public Account. As the addition to Consolidated Fund had been neutralised by the reduction in the Public Account, this transfer transaction did not affect the overall deficit of the Central Government.

The Speaker observed that after careful consideration of the matter, he was satisfied that the Finance Minister had not concealed any information from the Parliament and had put all the facts on record. As such, the question of deliberately misleading the House and thereby committing a breach of its privilege did not arise.

The Speaker added that while it was true that this transfer did not affect the overall deficit, it would have been more appropriate if the surplus in the account had not been utilised, even partially, to offset the revenue deficit. It was, however, entirely for the Government to decide the manner in which the budget proposals were to be prepared and the House had the final authority to approve, modify or reject them.

Accordingly, he had withheld his consent to the raising of the matter in the House as a question of privilege.

The motion was negatived.

## 5. Ruling by Speaker

The Speaker informed the House that on 28th March, 1969,

several Members had raised the question whether Government had laid the complete report of the Thakkar Commission on the Table of the House or had withheld some portions thereof. As there was difference of opinion on what constituted the complete report of the Commission, it was decided to seek the advice of the Attorney-General in the matter.

The Speaker added that after considering the matter in all its aspects including the opinion given by the Attorney-General and the views expressed by Members in that regard during discussion on the question of privilege, it appeared that the Commission had used the words, 'Report', 'Volumes', 'Parts', 'materials' and 'Records' rather loosely. He was of the view that having laid the Interim and Final Reports of the Thakkar Commission as submitted by the Commission on 19th November, 1985 and 27th February, 1986 alongwith a statement of action taken thereon, on the Table of the House on 27th March, 1989, in terms of sub-section (4) of Section 3 of the Commission of Inquiry Act, 1952, Government had fulfilled the statutory requirement.

The Speaker ruled that the complete Report of the Thakkar Commission had been laid on the Table.

### **3. Observations by the Speaker**

Referring to certain allegations of a personal character made against him in a section of the press, the Speaker observed that he had already placed all the facts before the leaders of the opposition soon after these were brought to his notice by two Hon'ble Members. He thought that they were fully satisfied in so far as his (Speaker's) position was concerned. A point was, however, made that the position be clarified on the floor of the House.

Speaker added that he had looked up the past records and found that in a similar situation when personal allegations were made against one of his distinguished predecessors, an announcement was made by the Speaker in the House that

besides the two Members who had given the notices other leaders of the opposition might see him and that he would place all the facts before them.

The matter had, however, been again raised by an Hon'ble Member on 5th May, 1989, in response to which he did observe that they were welcome to call any explanation from him and that he would place all the facts before them. Subsequently on the same day, he got another letter signed by some Hon'ble Members. Speaker reiterated his offer and requested the Members who had written to him as also any others interested, to see him in his chamber and that he shall be glad to once again place all the facts connected with his position before them and shall answer any and all the questions that they might pose to him. Speaker suggested that they could come to his chamber at 1215 Noon that day. If they were not satisfied after the meeting and still wished to bring the matter on the floor of the House, they could do so under the rules by bringing forward a motion for his removal from the office of Speaker. Speaker further stated that he had no objection to the House suspending the requirement of 14 days' notice to enable a discussion on the motion during the session itself. Speaker concluded by saying that he was first and last a servant of the House and placed himself fully in the hands of the House.

#### ✓ 4. Question of Privilege

The Speaker informed the House that on 10th May, 1989, he had received notice of a question of privilege from Shri V. Kishore Chandra S. Deo, M.P. against Shri Buta Singh, Minister of Home Affairs for allegedly misleading the House on 8th May, 1989 while replying to the discussion regarding communal situation in various parts of the country. Shri Deo had stated *inter alia* that the Minister of Home Affairs misled the House wilfully and deliberately by stating that a three-Judge Division Bench of Allahabad High Court was to decide the Babri Masjid-Ram Janambhoomi dispute case by taking up the matter on 10th July, 1989. The fact, however, was, as reported in the Indian Express of 10th May, 1989, that a two-Judge Division Bench of the High Court was seized of an application by the State Government for transferring the cases relating to the Ayodhya Shrine pending in Faizabad courts to the High Court for their disposal, and the case was to come up for hearing on the 10th July, 1989.

Withholding his consent to raising the question of privilege, the Speaker observed that on going through the proceedings of Lok Sabha dated the 8th May, 1989, he did not come across any reference made by the Minister of Home Affairs regarding the constitution of a Division Bench for hearing the Babri Masjid-Ram Janambhoomi dispute. The Minister had in fact stated that the Central Government had discussions with the Government of Uttar Pradesh regarding the said dispute and it was suggested that a Division Bench of the Allahabad High Court comprising of three judges might hear the case.

The Speaker added that instead of Minister of Home Affairs having misled the House, it appeared to be a case of mis-reporting the proceedings of the House by the said newspaper and Shri Deo placing total reliance on the press reports with-

out verifying the same from the records of the House. The Speaker emphasized that members should, before making allegations, verify the correctness or otherwise thereof instead of placing implicit faith on press reports.

## ✓ 8. Observations by Speaker

Referring to the question of appointment of the Chairman, Public Accounts Committee, raised by some Hon'ble Members in the House on 9th May, 1989, followed by a letter written by Prof. Madhu Dandavate the same day drawing his attention to the convention of appointing a member of the opposition as the Chairman of the Committee on the basis of the strength of opposition parties or groups in the House, Speaker observed that during the period 1950 to 1967, the Chairman of the Public Ac-

counts Committee was always appointed from among the members of the ruling party. In the elections held in 1967, the ruling Congress Party lost majority in several States and was returned to Lok Sabha with a very much reduced majority. It was expected that a responsible legislature party with requisite strength for being recognised as official opposition would soon emerge and that whosoever was appointed by the Speaker to be the Chairman would not use the committee's platform for party ends. It was in this background and with such hopes that it was decided to appoint the Chairman of the Public Accounts Committee from among the members belonging to the opposition. However, there had been no consistent practice to appoint a member of the first, second or third largest groups in the opposition in a strict rotational order and there had been instances when smaller parties like the D.M.K. and B.J.P. were given preference and the parties which had larger strength in the House were given opportunity in the third or fourth year of the term of the Lok Sabha. Speaker's right to nominate anyone from among the members of the Committee was never questioned or interfered with until last year when a controversy was created and pressure built up for appointing a particular person and none else as Chairman. He had then also made the position very clear to the opposition members that it was the undisputed discretion of the Speaker to appoint any member of the Committee who, in his judgement, was the most suitable for presiding over the committee and conducting its deliberations in a smooth and non-partisan manner. This position had been accepted both orally and in writing by the leaders of the opposition.

Speaker further observed that it was his first and foremost duty to ensure that the Committee functioned in a harmonious and non-partisan manner and that its high traditions and prestige were maintained. The committees of the House could not be competing centres of power with the Government nor it was their function to become committees of inquisition against the Government. While the Government was 'responsible' to the House, it was the officials of the Ministries who were 'accountable' to the committees for all acts of omission and commission. The Ministers as such were not 'responsible' to any parliamentary committee. Indeed, no Minister was a member of any Financial Committee and could not be called to tender evidence before them.

Speaker further pointed out that there was no recognised opposition or opposition party in Lok Sabha, since none of the parties/groups in the opposition had the requisite strength of one-tenth of total membership of the House.

The Speaker further observed that the reports of Financial Committees had always been unanimous and no Minutes of Dissent were permitted. The committees cannot and must not function as the mouthpiece of the ruling party but it was equally important that no effort was ever made to turn them into an instrument of the opposition. Unfortunately, in the recent past things had come to such a pass that the prestigious Public Accounts Committee almost threatened to become dysfunctional. The situation deteriorated to such an extent that charges and counter charges were levelled on the floor of the House—members accusing the Chairman of misusing his office and the Chairman charging the ruling party of issuing the whip. Nothing like that had ever happened in the House before. In this context, it was his foremost duty to ensure that the new Committee functioned and remained effective.

Considering all aspects of the matter, including past practices and conventions, he had chosen Shri P. Kolandaivelu to be the Chairman of the Committee. He found no reason to change his decision in the matter and rejected the demand to appoint a particular member as the Chairman of the Public Accounts Committee for 1989-90.
