The Speaker made the following observation:-

"Hon'ble Members, Shri K.C. Venugopal vide letter dated 24 April, 2015 has stated that the Constitution (One Hundred and Twenty-Second Amendment) Bill, 2014 is very important and has far-reaching implications and the Bill should be referred to the Standing Committee for examination and report. He has, therefore, requested me to raise this issue in the House.

I may inform the House that Shri Arun Jaitley, the Minister-in-charge of the Bill vide letter dated 18 December, 2014 had requested me for not referring the Bill to the Standing Committee on the ground that a Bill, namely, the Constitution (One Hundred and Fifteenth Amendment) Bill, 2011 providing for introduction of GST was introduced in Lok Sabha on 22 March, 2011 and

referred to the Standing Committee on Finance. Hon'ble Minister had further stated that there had been detailed deliberations with the Empowered Committee of the State Finance Ministers and the present Bill has since been revised based on the recommendations of the Standing Committee and the Empowered Committee. In view thereof, I did not refer the Bill to the Standing Committee.

As I have already taken a decision for not referring this Bill to the Standing Committee, I am not permitting Shri Venugopal to raise the issue of reference of this Bill to the Standing Committee."

14. Government Bill – Passed

The Finance Bill, 2015

Time Taken: 5 Hrs. 23 Mts.

The motion for consideration of the Bill was moved by Shri Arun Jaitley.

The following members took part in the debate:-

1. Prof. K.V. Thomas
2. Shri Nishikant Dubey
3. Shri P. Venugopal
4. Shri Bhartruhari Mahtab
5. Prof. Saugata Roy
6. Shri Anandrao Adsul
7. Shri K. Rammohan Naidu
8. Shri A.P. Jithendra Reddy
9. Shri P. Karunakaran
10. Shri Mekapati Rajamohan Reddy
11. Shri C.N. Jayadevan
12. Shri K.H. Muniappa
13. Shri N.K. Premachandran
14. Shri K.C. Venugopal

Thereafter, the Speaker made the following observation:-

"Hon'ble Members would recall that when we took up the discussion on the Finance Bill, Shri N.K. Premachandran and Prof. Saugata Roy raised point of order under rule 219 of the Rules of Procedure and article 110 of the Constitution. It was contended that as per rule 219, the Finance Bill, 2015 should not contain non-taxation provisions like those relating to Public Debt Management Agency and Senior Citizens' Welfare Fund. It was also contended that as per article 110, the Finance Bill being a Money Bill cannot contain non-taxation proposals and that inclusion of non-taxation proposals in the Bill is beyond the mandate mentioned in the long title of the Bill. Hon'ble Members also argued that the inclusion of non-taxation proposals in the Finance Bill, which is a Money Bill, would curtail the power of Rajya Sabha to amend those provisions.

Hon'ble Minister of Finance while responding to the point of order raised, clarified that the provisions relating to Public Debt Management relate

to management of borrowings by the government and are covered under clause (b) of article 110(1). Regarding the Senior Citizens' Welfare Fund, Hon'ble Minister clarified that the creation of fund is in the nature of financial obligation undertaken by the Government and hence covered by clause (b) of article 110(1) of the Constitution.

Hon'ble Members, I agree that as per rule 219, the primary object of a Finance Bill is to give effect to the financial proposals of the Government. At the same time, this Rule does not rule out the possibility of inclusion of non-taxation proposals. Therefore, a Finance Bill may contain non-taxation proposals also. I may add that the long title of a Bill is indicative of the key purport of a Bill. It is not always possible, particularly in voluminous Bills, that the long title reflects every provision of the Bill. In the past also, though rare, the Finance Bills have had non-taxation proposals like those relating to amendments of the Fiscal Responsibility and Budget Management Act, 2003.

Nevertheless, the fact is that a well-established practice of this House has been not to include non-taxation proposals in not only a Finance Bill but also other Bills containing taxation proposals unless it is imperative to include such proposals on constitutional or legal ground. Therefore, every effort should be made to separate taxation measures from other matters unless it is impossible on constitutional or legal grounds or on some such unavoidable reasons to do so in a particular case.

Therefore, in view of the clarification put forth by the Hon'ble Finance Minister and keeping in view the fact that neither rule 219 nor any provision of the Constitution specifically bars inclusion of non-taxation proposals in a Finance Bill, I rule out the Point of Order.

As regards amendments to Finance Bill are concerned, keeping in fiscal confidentiality *vis a vis* taxation proposals and resultant repercussions on the economy of the country that may arise, it has been the practice of the Government, where required, for tabling amendments only at a short notice. However, in the event of the Government amendments which do not as such impact taxation proposals it would be advisable for tabling such amendments

in advance to facilitate Members to give amendments to Government amendments."

14. Government Bill – Under Consideration

The Constitution (One Hundred and Twenty-second Amendment) Bill, 2014

Time Taken :4 Hrs. 14 Mts.

Further consideration on the motion moved by Shri Arun Jaitley on the 24th April, 2015, continued.

The Deputy Speaker made the following observation:-

"Hon'ble Members, a point of order has been raised by Shri N.K. Premachandran that certain provisions of the Constitution (One Hundred Twenty Second Amendment) Bill, 2014 and *ultra vires* of the Constitution.

In this regard, I have to inform the House that as per established practice the Speaker does not decide whether a Bill or a clause thereof is *ultra vires* of the Constitution or not. The House also does not take a decision on specific question of *vires* of a Bill. It is for the Courts to decide."

The Deputy Speaker further made the following observation:-

"Hon'ble Members, Shri Bhartruhari Mahtab *vide* letter dated 5 May, 2015 has stated that when on the other day, he had objected to listing of the Bill stating that it is a new Bill and need to be sent to the Standing Committee, from the government side it was stated that as in the previous Lok Sabha, a similar Bill was deliberated in the Standing Committee, there is no need to send this Bill again to the Standing Committee. But this Bill is a new Bill and contains many new provisions.

I may inform the House that Shri Arun Jaitley, the Minister-in-charge of the Bill *vide* letter dated 18 December, 2014 had requested Hon'ble Speaker for not referring the Bill to the Standing Committee on the ground that a Bill, namely, the Constitution (One Hundred and Fifteenth Amendment) Bill, 2011 providing for introduction of GST was introduced in Lok Sabha on 22 March,

2011 and referred to the Standing committee on Finance. Hon'ble Minister had further stated that there had been detailed deliberations with the Empowered Committee of the State Finance Ministers and the present Bill has since been revised based on the recommendations of the Standing Committee and the Empowered Committee. In view thereof, Hon'ble Speaker did not refer the Bill to the Standing Committee."

6. Government Bill – Passed

The Undisclosed Foreign Income and Assets (Imposition of Tax) Bill, 2015

Time Taken: 4 Hrs. 19 Mts.

The motion for consideration of the bill was moved by Shri Arun Jaitley.

The Speaker made the following observation:-

".....the Undisclosed Foreign Income and Assets (Imposition of Tax) Bill, 2015 is not a Money Bill. In this context, I may inform that the Bill seeks to make provisions for undisclosed foreign income and assets, the procedure for dealing with such income and assets and to provide for imposition of tax on any undisclosed foreign income and asset held outside India.

Clause 3 of the Bill provides for charge of tax on an assessee in respect of his total undisclosed foreign income and asset. Clause 60 provides that the undisclosed asset located outside India and declared under clause 59 within time specified therein shall be chargeable to tax at the rate of thirty per cent of value of such undisclosed asset on the date of commencement of the Bill. Chapters III, IV, V and VI of the Bill relate to tax management, penalties, offences and prosecutions and tax compliance, respectively. Chapter VII contains general provisions relating to the implementation of the Bill.....

.....

The provisions contained in Chapters III to VII are consequential upon levy of tax under clauses 3 and 60. Hence the provisions deal with imposition, regulation, etc. of tax on income and asset. The provisions of these Chapters as such attract the provisions of article 110(1)(a) of the Constitution.

I have, therefore, categorized this Bill as a **Money Bill** within the meaning of article 110 of the Constitution of India."

The Speaker also made the following observation:-

"Hon'ble Members, I may inform the House that Shri Arun Jaitley, the Minister-in-charge of the Bill *vide* letter dated 25 April, 2015 had requested me for not referring the Undisclosed Foreign Income and Assets (Imposition of Tax) Bill, 2015 to the Standing Committee on Finance. While so requesting the Hon'ble Minister had stated that the Bill has been introduced in Lok Sabha as a part of Government's effort to address the menace of black money. This new law needs to be enacted urgently so that deterrent action can be taken against offenders secreting their income and assets abroad. The Bill also provides for one time compliance opportunity for a limited period to persons who have any foreign assets which have hitherto not been disclosed for the purposes of Income-tax Act. A notification needs to be issued at the earliest to bring into effect the compliance provisions. This can be done only after the Bill has been enacted.

In view of the reasons stated by the Hon'ble Minister, I did not refer the Bill to the Standing Committee."
