Title: Regarding steps for safety and security in Kolkata Metro.

SHRIMATI APARUPA PODDAR (ARAMBAG): Kolkata Metro is the first metro rail in India under Indian Railways for common people of Kolkata. We see many incidents take place very often. Fire breaks out, need to increase the number of trains and compartments which gets over crowded. Metro Rail has to take steps for safety and security of the common passengers who avail metro in Kolkata. I urge the Government to take proper steps through Indian Railways.
