Title: Regarding construction of ROB at Railway Level Crossing No. 61 at Basta in Balasore Parliamentary Constituency of Odisha.

SHRI RABINDRA KUMAR JENA (BALASORE): Hon. Speaker Madam, there is a Level Crossing No. 61 at Basta in my parliamentary constituency of Balasore which connects two districts of Balasore and Mayurbhanj. ...(*Interruptions*) It is very essential that a railway overbridge has to come over there, the survey for which had been completed almost five years ago. ...(*Interruptions*) I have taken up this matter with the Ministry of Railways time and again. This is one of the busiest and most congested routes. ...(*Interruptions*) So, I urge upon the hon. Minister of Railways to immediately order the construction of a railway overbridge at LC-61 at Basta in my parliamentary constituency of Balasore.

HON. SPEAKER: Dr. Kulmani Samal is permitted to associate with the issue raised by Shri Rabindra Kumar Jena.
