Ttile: Regarding construction of a new Sub Post Office building in Khanakul in Arambag Parliamentary Constituency of West Benga I- Laid.

SHRIMATI APARUPA PODDAR (ARAMBAG): In my Arambagh Parliamentary Constituency Khanakhul is flood-prone area. To give better postal services, the sub post office at rented building in Khanakul Bazar is in bad condition. There is land of postal department in Khanakul. I urge the Government to construct a building for sub post office to give good postal service to the people of my constituency.
