DR. P.K. BIJU (ALATHUR): Madam Speaker, I would like to raise an important issue regarding my constituency. ...(*Interruptions*)

In my constituency, the work to construct the National Highway started in 1998. ... (*Interruptions*) That work is still going on for the last 20 years. The construction work from Walayar to Wadakkanchery and Mannuthy to Angamaly was completed earlier. But the Wadakkanchery-Mannuthy Stretch is still pending. ...(*Interruptions*)

HON. SPEAKER: Please remove that. Do not disturb like this. This is not your seat.

... (*Interruptions*)

DR. P.K. BIJU : The National Highways Authority of India has given the extension three times for completion of this work, but the contractor has already stopped the entire work for the last four months. ...(*Interruptions*) So, I urge upon the Government to intervene in this matter and take immediate steps to complete the work as early as possible. Thank you. ... (*Interruptions*)
