Title: Regarding increasing salary of Mini-Anganwadi teachers - Laid

SHRI BHEEMRAO B. PATIL (ZAHEERABAD): At present, in Telangana, the anganwadi teachers are discharging the duties of a teacher. The mini-anganwadi teachers have to attend the duties of a teacher as well as Aaya. Thus, the duties of mini anganwadi teachers are multiple but they are being paid the salary of Aaya only which is very petty and not at all fair. As such their salaries should be increased on par with anganwadi teachers.
