Title: Need to establish a Kendriya Vidyalaya at Punalur in Kollam, Kerala.

SHRI N.K. PREMACHANDRAN (KOLLAM): Punalur is the thickly populated area in my Constituency Kollam, Kerala. Students depend on private schools for their education under CBSE. Central Government, State Government and public sector institutions are located in and around Punalur. The children of Central Government employees also depend on private sector for the education of their children. The high fee and other charges in private sector are beyond the paying capacity of employees and common man. There is a demand for establishment of Kendriya Vidyalaya at Punalur, Kollam, Kerala.

Hence, I urge upon the Government to initiate urgent action to establish a Kendriya Vidyalaya at Punalur, Kollam.
