(viii) Need to delete Forest pig from the List of Wild Life Protection Act to safeguard the interests of cultivators of Andhra Pradesh

SHRI SOBHANADREESWARA RAO VADDE (Vijayawada) : Forest pigs damage sugar-cane, ground nut, vegetables etc crops in Guntur, Adilabad, Karimnagar, Nizamabad, Warangal, Khammam, Nalgonda, Cuddapah, Ananthapur and Kurnool districts in Andhra Pradesh. The loss of crops due to these wild boars runs into several crores of rupees. In Gusajale Co-operative Sugar Factory area several hundreds of acres of sugar cane crop was completely damaged by other wild boars. Farmers are fearing to grow sugar cane, so the factory is not in a position to receive adequate sugar cane, which is a great loss to the Farmers, Share holders and workers. But because wild boars is covered under Wild Life Pro-

tection Act, killing of this animal will become offence. So the villagers are not able to take any action even though they are suffering a lot. There is urgent need on the part of the Government to examine this issue and take necessary steps to bring amendment to Wild Life Protection Act deleting wild boar from the list of wild animals to safeguard the interests of villagers near the forest areas.
