**MATTERS UNDER RULE 377**

- (i) **REPORTED PUTTING OFF OF DECISION ON SITE FOR BOMBAY HIGH GAS-BASED FERTILISER PLANT**

**SHRI R. K. MHALGI** (Thana): The Union Government's reported action of putting off the decision on the site for ambitious Bombay High gas-based fertilizer plant proposed to be set up in the State is received by all sections of people in Maharashtra as ill-advised.

The Maharashtra Legislature have unanimously recommended a site south of Bombay. The previous State Government was dead set against the plant being located at Tarapur. The present Chief Minister Shri Pawar was the Industries Minister in the previous Government, his seeking afresh the views of the Maharashtra's new Government is a futile exercise. The Central Government should honour gracefully and immediately the wishes of the people in Maharashtra expressed through Maharashtra Legislature very recently.

- (ii) **REPORTED ENTRY OF CHINESE TRAINED PAKISTANI INFILTRATORS INTO INDIAN TERRITORY IN KASHMIR.**

**SHRI K. MALLANNA** (Chitradurga): I want to raise the following matter of public importance.

I am one who pleads for a good and cordial relationship and co-ordination between the neighbouring countries. Almost all the neighbouring countries are developing countries. If there is any trouble between these countries, there will be an economic debacle and the country will suffer.

**MR. SPEAKER:** Mr. Mallanna, you must keep to the statement.

**SHRI K. MALLANNA:** This is only a prelude.

**MR. SPEAKER:** The prelude also must be confined to the statement; both the epilogue and the prelude.

**SHRI K. MALLANNA:** I will be very brief.

But, unfortunately, some incidents on our borders are taking place which agitates the mind of the people in India. I have to bring to the notice of the country through the Parliament—

As reported in the Indian-Congress dated July 21st, 1978 about 150 Chinese trained Pakistanis from Pakistan occupied Kashmir infiltrated into the Indian territory on the plea that the conditions in Pakistan occupied Kashmir are not good and they are being harassed by military personnel. This is a very serious matter. What I am worried about is, what our Intelligence and Vigilance is doing. Balloons are flying...

**MR. SPEAKER:** You are trying balloons here also. No, no: no balloons here. (Interruptions). Mr. Mallanna, kindly keep to the statement.

**SHRI K. MALLANNA:** This is a question of infiltrators.

**MR. SPEAKER:** Even infiltrators should not get into the House!

**SHRI K. MALLANNA:** The infiltrators are to be located and arrested and suitably dealt with. Adequate vigilance should be exercised on our borders.

Regarding Pakistani nuclear base with Chinese aid, a 37-year-old deaf and dumb Chinese trained Baltistani guerilla was taken into custody last week by the Indian Army authorities while he was trying to cross the well-guarded strategic bridge at dead of night in a 'protected area' of the Kargi sector in the border district of Ladakh according to official reports reaching here.
