

MR. SPEAKER Again you are going on debating on

PROF P G MAVALANKAR What authority and powers are you going to invest in the Members of Parliament and Parliament as a whole to see that such dangerous and atrocious lies are not allowed to be continuing? Suppose Mr Gupta had not raised the question, suppose Baweja Committee had not taken up this matter this thing would never have come to light. My point is it is of no use merely to have a discussion you must see to it that a kind of procedure is evolved so that this kind of bureaucratic *(Interruptions)*

Finally I am not interested in just getting the officials of the Tihar Jail and other bureaucratic officials punished if they are found guilty. On that, of course law will take its own course. My point is taking clue from this example let us not be only at the mercy of raising a submission on such matters and leaving the matters there. I would like you to go into this either through the Rules Committee or through other Committees or *suo motu* to see that the officials do no mislead.

I am concluding I have been watching that in the question Hour, in Short Notice Questions and in other discussions in answer to various demands of Ministries a number of times Ministers are given wrong information by the officials. Notes are given. Supplementary points are given either through official box or later on subsequently and we are made to look fools and stupid. We are here to serve the public. We are serving the public and nothing should happen which will come in our way of the performance of our duties as Members of Parliament.
