(d) if so, whether the Government will confirm the persons falling in the category of part (c) above, and if not, the reasons therefor?

THE MINISTER IN THE MINISTRY OF HOME AFFAIRS (SHRI S. D. PATIL): (a) It is correct that such a news report appeared in the Indian Express of 31st March, 1977.

(b) If persons are recruited against permanent posts with definite conditions of probation, they can be confirmed after successful completion of the period of probation which is normally two years. In other cases, confirmation depends on various factors such as availability of permanent posts, eligibility of persons concerned, their seniority and suitability.

(c) These cadres are de-centralised cadres and confirmation is made by the respective Cadre Controlling Authority. The information about the number of persons holding posts in these cadres and who have not been confirmed is not available with us. The criteria with regard to the confirmation for these officials is the same as indicated in reply to part (b) of the Question.

(d) It will not be possible to give an assurance that all such persons will be confirmed since confirmation depends on the availability of permanent vacancies in the respective Departments and the suitability of the persons to be determined by the concerned D.P.C.
