

[Shri Shyam Sunder Mohapatra]. students two eggs, or a fish a day, or little mutton two or three times, why should we laugh? It is a poor country and our attitude and behaviour has become the attitude of the poor man.

We want good food. The question is, who will run the canteen. I will prefer the students to run the canteen and manage it. Now-a-days, even the railway canteen has gone to the dogs. You find the tea and other things rotten. It seems as if we have all become thieves and dacoits. Once I saw the picture *Ham Sab Chor Hain*. All of us have become immoral because society has gone down to the level of dishonesty.

Let the students run the canteen and if there is any shortage of money, I will request the hon. Minister to subsidise it to the extent that the food is better and congenial for an atmosphere of learning.

I now ask a question, whether the students will be given better food than what they are taking today and if there is any financial difficulty, whether the Minister will intervene and use his good offices to see that some subsidy is given. Secondly, would it be possible to invite the student leaders as special invitees to important meetings of the Executive Council?

PROF. S. NURUL HASAN: I have already answered the question that the pattern of subsidy cannot be decided only on the basis of one university. It is a question on which an overall view will be taken. Secondly, Sir, I have further stated that 50 per cent of the students of the pre-research level and larger proportion of the research level are already in receipt of what in the present situation would be comparatively reasonable scholarship. Therefore, it is not that all the students are being thrown at the mercy of the market mechanism. Within these constraints, whatever is possible is being done to help the students.
