**CALLING ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE**

**REPORTED CLOSURE OF MORE THAN TEN JUTE MILLS IN WEST BENGAL**

**SHRI DINEN BHATTACHARYYA (Serampore)** Mr Speaker, Sir, I call the attention of the Minister of Commerce to the following matter of urgent public importance and I request that he may make a statement thereon:

“Reported closure of more than ten jute mills in West Bengal during the last few weeks and its effect on the country's economy and employment position”

**THE MINISTER OF COMMERCE (PROF D P CHATTOPADHYAYA)** Mr Speaker Jute Industry occupies an extremely important position in the industrial profile and exports spectrum of the country. The industry relies to a large extent for its health on its export prospects. There has been a decline in the volume of our exports of jute goods, as had been indicated by me recently on the floor of this House. The industry's health has not been too good on account of this phenomenon.

A statement showing the details of jute mills which are lying closed at present is laid on the Table of the House. All the units closed other than the one located in Kanpur are situated in West Bengal which has the highest concentration of jute mills. The total labour complement of the units which are lying close at present is about 31 000. Government are seriously concerned over the closure of mills and consequent loss of employment to a large number of workers.

However the causes of the closure of the Mills are diverse and complex. It will be evident from the statement laid on the Table of the House that out of 10 mills which are now lying closed, two namely Kanpur Jute Udyog
