STATEMENT RE. ESTABLISHMENT
OF DIPLOMATIC RELATIONS WITH
THE TWO KOREAS

THE MINISTER OF STATE IN THE
MINISTRY OF EXTERNAL AFFAIRS
(SHRI SURENDRA PAL SINGH):
As the House is aware the end of World War II saw the emergence of two independent governments in the two parts of Korea. While we have always shared and supported the aspirations of the Korean people for a unified Korea through peaceful bilateral negotiations and without outside interference, the two Governments have come into their own and have established themselves over the course of the past quarter of a century.

The Government of India accordingly established consular relations with both Koreas in 1962 and since then our relationship with both Korean Governments has been developing satisfactorily. Particularly noteworthy has been the increase in our economic co-operation as also the exchange of delegations and visits of responsible leaders with the two countries.

Apart from historical and cultural ties dating over the centuries, India has played a constructive role in Korean affairs since the early fifties. India contributed actively towards the cessation of the unfortunate war as well as towards the solution of the problems arising out of the war.

For some time past both Koreas have been seeking our diplomatic recognition and the Government of India has decided that the time is now opportune for according diplomatic recognition to the two Governments, particularly since they control between themselves a population of around fifty million people and have already been diplomatically recognised by a large number of countries.

With a view therefore, to promoting further friendly relations and all-sided cooperation, the Government of India has decided to raise the level of our representation in both Koreas. I am glad to announce that the two Korean Governments have concurred in this decision. The Government of India has agreed to establish diplomatic relations with both Korean Governments as of today. Appointment of Ambassadors will take place in due course according to the convenience of each country.

SHRI S. M. BANERJEE (Kanpur):
What about Vietnam?

MR. SPEAKER: So far as this decision is concerned, we all welcome it. Questions about other decisions can be taken up separately; not at this time.
