

[Shri Dinesh Singh]

shall be able to find out. Of course, our missions in the US and also in South Vietnam would make an attempt to find out the facts as far they can.

SHRI JYOTIRMOY BASU : What about taking up this matter for discussion either under rule 184 or as an adjournment motion ?

Mr. CHAIRMAN : That is for the Speaker to decide.

SHRI VASUDEVAN NAIR (Peermade) : It is not as if some soldiers were killed in an encounter. The fact is that an entire village was wiped out. I should like to know whether Government have any information from their own agencies in the countries concerned, whether in North Vietnam or South Vietnam where they have their own representatives, as they cannot go by the account given by the South Vietnam Government. Also would they like to raise this matter in the Human Rights Commission themselves or would like support some other country if it is raised by that country on that forum ?

SHRI DINESH SINGH : What action we ought to take will really arise after we have more information on this subject. I have shared with the House the information available with me. When we get more information, it will be for us to consider what steps we should take.

SHRI VASUDEVAN NAIR : What is the information from Government's missions in the countries concerned ?

SHRI DINESH SINGH : At this stage, our information is not more than what has appeared in newspapers.
