USSR on non-proliferation of nuclear weapons which permits them to continue their underground tests and also stockpile nuclear weapons. In view of these facts, do the Government consider this agreement as a device to blackmail non-nuclear powers and is the Government prepared to bring together all the Afro Asian and Latin American countries just to ban all nuclear weapons and to stop this blackmail and to destroy all the stockpile of nuclear arms ?

SHRIMATI INDIRA GANDHI : The sentiments expressed by the hon. Member regarding the bringing together of nations are laudable, and if it were possible that by just getting together we would be able to destroy the stockpile of all the countries it would be a very good thing, but I do not think that this is taking a very realistic view of things.

SHRI GANESH GHOSH : Will the Government at least bring pressure on all those countries which possess nuclear arms ?

MR. SPEAKER : Order, order.
