# MOTION RE NATIONAL POLICY FOR CHILDREN--Contd

MR. DEPUTY-SPEAKER We resume discussion on the National Policy on Children

SHRI PRIYA RANJAN DAS MUNSI (Calcutta-South) Mr Deputy-Speaker, Sir, the recommendation on certain observations of the Board with regard to the policy on children of our country is, really speaking, a very good outcome and a very good exercise I have patiently heard the views and the policy as they were expressed by our hon Deputy Minister on the last day of the previous session I also congratulate him for his attitude towards the children But, I would like to point out a few things on this national policy on children, which is followed in other countries as well as in India

In India, perhaps, it is a known fact, both from the point of view of religion and that of ancient thinking, that the child is treated as God. Usually, it is a common phenomenon both in the villages and the cities. This symbolises our devotion to children It also indicates our expectations and our dreams about children.
