STATEMENT RE, TAKE-OVER OF WHOLESALE TRADE IN WHEAT AND RICE

THE MINISTER OF AGRICUL-TURE (SHRI F. A. AHMED): Hon' ble Members are aware that Government had already reached the decision to take over the wholesale trade in wheat and rice. This decision was taken in consultation with the Chief Ministers of the States. The essential features of the scheme are to give the public agencies a more dominant role in the procurement and distribution of who and rice and thereby eliminating the role of the middlemen. This decision has already been conveyed to the Lok Sabha in response to several questions answered in the House during the current session.

A conference of Food Ministers of States was held on 15th and 16th of December, 1972, to finalise the steps necessary to implement the decision already taken by the Government to take over wholesale trade in wheat and rice. In the conference the State overnments were agreeable in principle to the decision taken by

the Central Government. They however, expressed certain operational difficulties likely to be experienced in the taking over of the wholesale trade. The consensus in the conference was that a committee may be appointed to examine the various operational difficulties that may be faced by the State Governments in implementing the decision. Necessary steps are being taken to form a committee consisting of representatives of surplus and deficit States, Planning Commission and the economic Ministries of the Central Government. The committee will be headed by the Minister for Agriculture.

This statement is being made in pursuance of the aforesaid assurance.

The inspection of this company was conducted during the period 26th July 1972 to 9th August, 1972 and the report was received by the Company Law Board on 5th October. After detailed examination the Company Law Board has taken action on the following lines:

- 1. The Regional Director at Bombay has been asked on 2nd December, 1972 to take up with the company the violations of Companies Act and certain other features requiring clarification.
- 2. The Income Tax Department has been informed on 2nd December 1972, of certain transactions which apparently required further investigation at their end.
- 3. On 8th December, 1972 a communication was addressed to C.B.I. for investigation into certain transactions which prima facie appeared to be offences involving criminal conspiracy breach of trust, fabrication of accounts etc. by the management of the Company.
 - A notice requiring the company to show cause why 2 Government Directors should not be appointed u/s 408 of Companies Act has been issued on 12th December, 1972 as the Company Law Board was of the prima facie view that company continued to be managed in a manner prejudicial to the interests of the company and of the public.
